

APPOINTMENT OF NEW OR REPLACEMENT SECURITY CUSTODIAN

Thank you for accepting responsibility for the role of Security Custodian on the FinSwitch system.

As such you are chiefly responsible for information flow and the administration of your company's user logins, passwords and profiles via FinSwitch Frontend.

FinSwitch retains the ability to administer user and registration profiles as and when the need arises and on instruction from the Security Custodian or appropriate Management.

Kindly fill in the details below and email/fax back to FinSwitch clientservices@finswitch.com on 0860 346 794. On receipt of this form FinSwitch will with immediate effect delete the login/role of the outgoing Custodian and insert/update the new Security Custodian's role and confirm the changes.

Regards
THE FINSWITCH TEAM
